

**Join us on our recovery walk
4th July 2021**

#recoverywalk

Walk with us to help remove
the stigma of addiction

Everybody knows somebody
who has, or is struggling with
addiction

We are walking to support our families and friends in recovery.

We are walking to honour the loved ones we have lost.

We are walking to remove the stigma of addiction and substance misuse.

We are walking to raise awareness.

**We are walking because
Every Body Knows Somebody**

Open Road is 30 years old and to celebrate this amazing achievement, we are hosting our very own recovery walk.

Due to the ongoing social restrictions instead of gathering in a large group and walking together, we are asking you to get with friends and family, and walk your own journey, while raising money and awareness for Open Road.

Where: Anywhere, there is no specific location

When: Sunday 4th July 2021 – anytime you want to start

Who: Everyone is invited. You can even walk with the family dog

How far: As far as you want to – it is your journey

Sign up: Donate £3 to www.justgiving.com/openroad and off you go. Don't forget to get your friends and family to support you too by donating £3.

Spread the word: Make sure you tag Open Road on social media and post your photos and videos of your walk.

Don't forget #recoverywalk
